Re: Quality Profile

Dear Trotwood-Madison City Schools Students, Staff, Parents and Community Members:

In addition to the State Report Card, we created a Quality Profile to highlight achievements from our District and our students to give additional context to the Report Card results. The Quality Profile is located on the Trotwood-Madison District's webpage under the Superintendent's tab. <http://www.trotwood.k12.oh.us/>

There is a lot of work going on behind the scenes here at the District Office and in our schools. Some of the things on which we are working, or have completed for this year include (but are not limited to):

- Completion of our Teaching and Learning Instructional Audit
- Development of our Strategic Planning initiative and development of a Mission and Vision for the District
- Development the Freshman Experience and Academy and launched it this school year
- Investigating access to more Advanced Placement (AP) and College Credit Plus (CC+) courses
- Expanding and reconstructing Gifted Program across the District
- Revisiting and refreshing our Diversity, Equity and Inclusion Practices for Special Education
- Adding Supervisory and Evaluative Capacity to the District Leadership Team and to school administrators
- Realigning District staffing to focus on Student Academic Improvement
- Growing an Instructional Coaching and Leadership Academy of administrators and teachers through Saturday trainings
- Adoption of District-wide curriculum materials for the elementary level

This annual Quality Profile will help characterize the overall educational value of the Trotwood-Madison City Schools in areas that are important to our community. I hope you find it informative. I take pride in the great things coming out of our District, and the future of Trotwood-Madison City Schools.

Sincerely,

Tyrone L. Olverson, M.Ed.
Interim Superintendent
Trotwood-Madison City Schools
