## **A Family of Voices**

The Trotwood Madison Middle School Choir, also called "A Family of Voices," is comprised of 70 talented students who value the ideas centered around family. We all have differences however, when we come together we become as one; singing, fellowshiping, and having fun. "A Family of Voices" has performed around the Trotwood Community spreading the gift of music. We have great pride and a desire to share the message of hope and unity with our voices. Under the direction of Mr. Herbert Jackson we present to you, "A Family of Voices"
