*Ohio Revised Code (ORC) requires K-6 students to receive 910 hours of instruction and 7-12 students receive 1001 hours, which includes two parent/teacher conference days and two professional development days. The district will add school days at the end of the year in the event additional student instructional time is needed to meet State minimum standards.

The 2016-17 calendar is calculated using the following monthly breakdown of student and instructional staff days:
