House Bill 410 Restructures Attendance

With the passing of House Bill 410, attendance will be looked at differently. Instead of counting days absent, it will count hours and minutes absent. One school day is considered six hours. This will affect the way a student's tardiness and absences are noted in the system.

What's Considered Truant?

- ◆ If a student misses 38 or more hours in one month or 65 or more hours in a school year, regardless of whether these absences are excused or unexcused, the parent/guardian must be notified.
- ◆ If the student is absent for 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in a school year without a legitimate excuse, the student will meet the definition of "Habitual Truant" pursuant to O.R.C. 2151.011.

Habitual Truant Requirements

- ◆ If a student is deemed an habitual truant, this will require the student to be assigned to an absence intervention team at the direction of the Superintendent, or designee. As required by O.R.C. 3321.191(c)(2)(e), the student and you as a parent/guardian will be required to participate in the intervention plan.
- ◆ Failure to participate will result in an investigation into whether such failure triggers our mandatory duty to report child abuse or neglect to the Montgomery County Children Services.
- ◆ Ohio Law requires a complaint to be filed with the Montgomery County Juvenile Courts if the student fails to make satisfactory progress during the intervention plan.

Excused Absences

- ◆ Personal Illness (a written physician's statement verifying the illness may be required).
- ◆ Death in the family.
- ◆ Observation or celebration of a bona fide religious holiday.
- ◆ A parent note does not automatically excuse an absence or tardy from a truancy referral.

What to do if Your Child is Going to be Absent

- ◆ Call the school before 10:00am to report the child's absence.
- ◆ When a student returns to school after an absence, he/she must bring a note from his/her parent or guardian, or a doctor stating the reason for each absence. The note must include a **working number** to contact the parent.
- ◆ Whenever possible, please schedule doctor and dental appointments after school. If your child attends an appointment during the school day, please return him/her to school following the appointment.
- ◆ In the event of a prolonged absence (1+weeks), contact your Principal's Secretary for work assignments, and provide a doctor's statement upon the student's return.
- ◆ If the excessive absences are for reasons other than medical issues, please take corrective action to address the absences. As you know, good attendance is vital to achieving academic success. Good attendance is also important in helping your child have a positive and successful school experience.
